

IPET Failed Contacts List

(As at 2017/01/02)

Please check to see that you are not listed in the list below!

The list is of members whose E mails and postal addresses do not always work.

E Mails are bounced back as unknown, undeliverable, blocked etc etc.

Post is returned unknown, gone away, incorrect address etc.

This requires your action as we cannot fix this from our end.

Note that many Government Departments, Municipalities, Consulting Firms and some companies block our E mails.

We suggest private E mails be used - there are many available for free!

If your name is on this list, take action & also advise us your latest valid details.

Thanks for your cdo-operation and assistance.

The list below is in Alpha order on Surnames (Last names).
